PLANS

Two weeks today I will be in London!! So I decided it was high time I let you know what's happening now, what's been happening, and what I expect to happen in the next few months.

THANKS AND SORRY

Firstly thank you to so many people who have been praying for me. Last September I decided to take a "year off" (see <http://www.jonomiller.com/node/1341> and <http://www.jonomiller.com/node/1340>).

Thank you for praying for me. This has been a most rewarding time so far.

But I do say sorry to the many people who I had planned to visit and didn't. And I also say sorry to those who would love to have heard about God's work in Ukraine but didn't. I would like to have shared but that will have to wait til next time.

NEXT STEP

Yes, one year is not yet up, so this is still part of my 'year off'. But the next few months see me back in Ukraine. I will take part in the summer activities as a participant and willing helper. I will then be working to establish the language teaching business God enabled me to register before I left Ukraine last year. This is the direction my elders from West Pennant Hills Community Church have agreed for me to undertake.

TRAVEL PLANS

Right now I am in Sydney until July 5th. I'd love for you to come and visit me if you are in Sydney. I'm house sitting in West Pennant Hills – just contact me and come round for coffee and Tim Tams.

On July 5th I drive to Eureka. I'll have a few hours to spare on the farm on July 6th before heading off to Brisbane, saying goodbye to family and friends there, and catching a plane for London Monday July 7. I'll spend Tuesday in London with my brother Dave and then fly to Kyiv on Wednesday 9th where Ruth and Jon will meet me.

The following Monday Camp 120 starts. This is the camp that I have run in the past with Ben Clarke. I will help out by driving the boat but Ruth and Jon and Sasha are running it this year. Please please please pray for camp. To find out more about camp read <http://www.jonomiller.com/node/1597>

IT'S NOT ABOUT ME

I'm so thankful to God for what He has done in my life and taught me about Himself and myself in these past few months. I am looking forward to the continuation of the journey with Him. I've already said it, but again thank you for praying for me and for the work that God is doing in Ukraine. Thank you for your interest in His work. He IS working!
